

ISOMATE®-CM/LR TT

New 2008

"Multi-Pest
Mating Disruption
Dispenser"

Superior Mating Disruption Technology for Codling Moth and Leafrollers

ISOMATE-CM/LR TT is a pheromone dispensing technology for management of codling moth and leafrollers. **ISOMATE-CM/LR TT** uses the same proven technology as our other Isomate dispensers. A single application of **ISOMATE-CM/LR TT** at CM biofix can provide season-long protection. The **OMRI**™ Twin-Tube design allows for fast, easy application. Get more for your money with this "multi-pest" dispenser!

PACIFIC BIOCONTROL CORPORATION

ISOMATE-CM/LR TT provides season-long mating disruption of codling moth and leafrollers

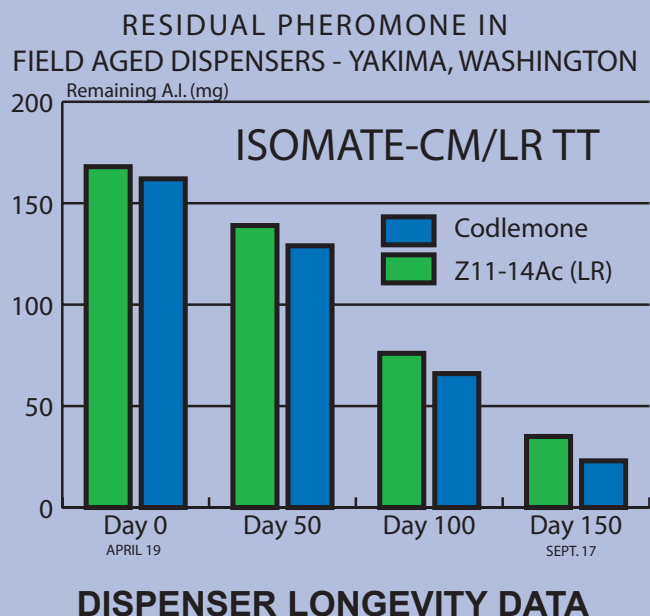

- High pheromone load rate provides season-long mating disruption.
- Superior dispensing technology delivers consistent, uniform release rate.
- Twin-tube design for easy, quick application.
- Cost-effective, season-long control.
- Extensively tested by leading university and public institutions.
- Real-time dispenser analyses available at www.pacificbiocontrol.com.
- Highly trained and experienced staff in mating disruption technology and IPM.
- No batteries, no programming, no mechanics required.
- Most widely used mating disruption technology in the world.
- Compatible with other control methods.
- Long-term use can successfully reduce CM and LR to very low levels.
- Not toxic to bees or beneficial insects and mites.
- Requires no worker re-entry period or pre-harvest interval.
- Provides greater flexibility to schedule thinning, summer pruning, tree training and irrigation.
- Residue free.
- No groundwater contamination when used as directed.
- Not affected by rainfall, overhead irrigation, or over-tree cooling.
- **WORRY FREE MATING DISRUPTION!**

ISOMATE-CM/LR TT IS FAST AND EASY TO APPLY

Insert CM/LR TT dispenser until it stops at notch in the middle of coupling. Spread dispenser the length of the cut in the coupling. Flip dispenser back overcoupling to lock in position. For information on how to make applicators and how to apply, visit our website or contact your local distributor.
